Hon. A. W. Lungren,
Mayville, N.Y.
Respected Sir,

We need your presence in Ripley at Decoration Day exercises, to awaken the spirit of patriotism in our citizens. Would it be possible to secure your services on that day? If so name what terms.

As chairman of committee of arrangements, I am especially solicitous for the honoring of our soldiers dead on that day. May I hear from you?

Very Respy, Edgar C. Markham.
