My dear Sir:-

I wish to thank you most heartily for your article in the Chicago Inter-Ocean on the present conflict between the Greeks and the Turks. It is the best one I have seen anywhere, and I read it to the cadets of the Academy this morning, making some comments myself. It is a most terrible war, and the sympathies of the world ought to be with the Greeks. *Write again on this subject.*

With kind regards, I am,

Yours very truly,
