Mr. H. N. Turner

Mayville N.Y.

My dear Judge

Take the best offer you
can get. Do not be too hasty with us. I read your
letter carefully, and am inclined to hold an
immediate meeting by myself, but I cannot
then be sure you will go back on his promise.
Think you don't need to trouble Mr. Turner.
Open your eyes, and see, pull all
the strings you can. Stick to them and
do not give up. Will see Judge Day the
first opportunity I can find to have a straight
talk. May be of no use, but it does not do to
let him think go by default. Will write again
sooner as I have seen him. I wanted to have
you here for some of our good people here

speaking to me & forcing their gratification
over your coming. But the "boys" do not
want to have you come & they have to you.
As for myself, I will be better pleased to
know you will get a good remuneration
for your address, than to have you come
here for nothing. It is all right my old
friend. And I look for the visit to ~~Chautau~~
to come out all right too.

With best wishes

D. M. Martin

Your truly
