PERRY-PAYNE BUILDING

My dear Friend

I have your
of 7th and after my
most hearty Congratulations
I must say I do not know
whether I am better pleased
with your prospective
appointment than with
the fact that you have
so promptly addressed me
of the good luck
which has struck your
Camp — From a selfish
point of view the latter
of course for I am flattered
to know you thought of
me in your hours of rejoicing

CHAUTAUQUA COUNTY HISTORICAL SOCIETY 2013

but I throw up my hat for I am glad to know you are booked for a Sojourn in Sunny France. I think you will enjoy it although I suppose the pay is moderate. but you will like among a people whom you will enjoy — I hope you may find time to write me occasionally & give me your experiences. If it be convenient for you and I can do manage I would like to run down to Mayville before you leave to day Au revoir but not good bye

Let me know as soon as you get official notice what your plans are. I am very busy with details and will do this P.M. preparatory to leaving on short notice for a trip to Avon Remember me kindly to the family & hope to see you before you sail I am

Yours Truly
