Hon. Wm Love

Dear Judge

I Guess a few words expressed in an informal way. I was glad, about as deep in as it could set, when I learned of your appointment. I was ready to say all things are not out of joint in appointments. Accept my heart-felt Congratulations.

I hope all things connected with the appointment may be satisfactory to yourself and your dear family.

Buffalo N.Y. May 12th 1877

Very Sincerely Yours
