Hon. Albion W. Tourge's,

Mayville, N. Y.

Dear Sir:-

Your esteemed favor of the 12th inst., received, and in reply I beg to state that we are making thorough inquiries in regard to sailings of Bourdeaux steamer's, and will advise you shortly of the desirability of taking passage by that route. The sailings are a little irregular, no sailing list that is strictly adhered being published.

Yours very truly,

Edwin H. Low

P. S. Regarding Havre line, enclose sailing list herewith, and would state that accommodation can be had for June, although the ships are pretty well filled, and the best rooms are taken up. An inside room costs \$200. for two passengers to Havre, or an outside room \$250.
