Dear Sirs -

I haven't actually
seen it in the papers - altho'
I looked for it daily - but others
have, & have mentioned it to
me. Therefore "I feel" to congrat-
ulate you, the Judge, and
all the friends. It will be a
great thing to be able to take
the "rest cure" for a while;
and may your sunniest anti-
cipation be shadowy beside
the realization!

Sincerely yours,

Howard
