Albion New York

My dear Friend -

I read with gratification the compliment paid to your husband by The President. and I am sure no one more heartily congratulates him than I do - upon this justly deserved reward and recognition.

Mr Keogh came with us only remained a few days- will come out again during the summer. Fate seems to decree that we are not to meet again- & hope though you will find time to write me an occasional letter & will enjoy hearing from- write me if you have time and tell me your plans- Come to Albion and see me if you can- you and your husband. With love to all

your friend sincerely
