CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY

Dear Sir Sorry you have had so much trouble but it was not in the course of post. Sometimes there was miscarriage of mail.

Your remarks in reference to the records made at the unveiling of the monument at Eureka, I saw in "By Sunday Notes" in the Sun which I read with ½ delight as they were. Bless your soul, may neither your mind nor pen ever tire & their sunshine fade away from your post of duties, but since there is no insurance that can assure us of one for a time, admonish & beseech you to let us in one, and keep, that the good work is well under way may not cost. A visit to the mine is sufficient.

As I have not written you since you sent back it I had time - Hoping to receive tidings or word of any kind I would remain your old friend Frank Eckert 123 W. 22d St. $720.97.
