Dear Sir

Yours enclosing $35. on $75 acknowledged with thanks. All our business is done at 18% & 20% com. except when fees exceed $150. We sent out a circular letter two years ago, our clients agreed to the new list. If you were overlooked you will settle on the old basis.

We are very greatly pleased with Your Consulship. The Governor did the right thing in putting the right man in the right place. Hail Columbia!

Very truly
