Dear Sir;

By way of introduction, allow me to remind you that I am the man who publishes Municipality & County.

Your advertisement of house for rent has been noticed. ,also that there are 34 acres of land attached. Is there any thing to be done in that neighborhood, by a man like myself, that would help to pay living expenses? If so, would you rent your place to me and at what price?

Am pleased to note your appointment and trust you will enjoy the best of health while performimg your duties.

With kind regards,

Yours truly

Henry Hoof.
