Dear Judge

I herewith return the Porter letter. Let me first say that I forge your letter to the President above any indorsement I expect to get. Everything is working favorably for me here so far. Every little scheme our little politicians have had tried to work so far has benefitted me - I have a splendid indorsement from the most reputable people in this city. Within a week I will forward to Mr Hooker all the indorsement I propose to furnish him directly. And then I intend to turn my attention to the other end of the line. Will be away from home for a few days early next week but hope to be on soon. Maj Putnams name is on my papers.

Yours Truly
