Mrs. E. H. Youngs

Dear Madam

Yours of the 28th inst—

Which in do not mean Real Estat loans we
feel disposed to accommodat you in the matter
& will loan you the $500— loan on the
home owned by you daughter— We would want
to take a Mtg for the $500— & pay the Ins— due on
the Mtg now against the place— We also would
like to have the Mtg. given for three months, so that
the interest would be due every three months, but
would expect to allow the Mtg to run the same as
though given for a longer time—
