Dear sir:-

Your request for copy of Journal containing your story published in our Christmas number for 1886, is at hand.

I am happy to be able to accommodate you with a copy of the paper in question. It is not often that we can furnish copies of dates so far back, but only a short time ago I discovered three or four copies of this paper put away by themselves, and can therefore supply you.

Permit me to express the hope that you may get much pleasure out of your work as consul.

Very truly yours,

Fred'k P. Hall
