My dear sir:-

Your very kind offer to send us something occasionally from Bordeaux for publication in The Journal, is at hand and we hasten to assure you that anything you may send will be very welcome indeed. Our readers, among whom you have many friends and admirers will be delighted to hear from you in that way. If you will be interested in knowing what is going on here in your absence, furnish us with your address and we will see that The Journal is mailed to you regularly.

Very truly yours,

Fred P. Hall
