Dear Madam:- Regarding the $500. loan will say, that the abstract needs bringing down. It is now at the Clerks office but expect it will be completed to-day. There will be some expense attending the making this loan, i.e. on account of abstract and recording papers which I infer will be agreeable to you to have charged to your a/c. The amount due, as of June Ist, on the Whallon mtg. is $366.73

Yours truly,

O. O. Minton
