Dear Sir: We have your note relative to your 4,000 word story. What is it about & what do you want for it? If it is a war adventure or story, or a campaign is it not rather short? It is pretty enough times with publishers but we like attractions. Whenever you turn out another

"Fools' Errand" please
let us know &
at any rate we
shall always be
glad to hear from
you & to know
what you are
doing at.

Very truly yours
