Mr. E. K. Jungie,

Dear Madam,

Your letter to Mr. Headman with proposition has been referred to us — You may express Six Copies Buttons Due to us at 50¢ per copy and we will remit on receipt of same. — If you will state the total number of Buttons Due you have remaining and will quote the very lowest sum you will take for the total lot, we will give the matter of purchase immediate consideration — The demand for this is less frequent than formerly and we are in doubt — but our decision will depend upon the price quoted for the entire lot —

Very Respy & Truly Yrs,

Clark Bros.
