W. FOURTH ST.

P. O. BOX 64.

JAMESTOWN, N. Y., June 10 1897

Mrs. F. W. Younger.

Dear Madame: Inreply to your letter in regard to mattresses would say. The better way to make over your mattresses would be to send the mattresses here by freight which will not cost over 10 cts each if you have a number to send us will send and the freight one way. Presuppose you have reference to said mattresses. It would be a very easy matter to send a man to Meyerell to make them over but it would cost considerable more and as the hair would have to be picked by hand it could not be done as well as picked and dusted by our machine and again if there were moths in them it would have a place to clean and clean the hair thoroughly and when made up would be as good as new.

We would advise you to be careful to whom you give your hair mattresses to be made over as we have had several to make over after they had been made

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

over by upholsterers going from house to house and find out the cause of some of the mattresses the hair taken out and the space filled with Black moss which looks very much like hair but which costs less than 1/10th as much and makes a very fine mattress.

We will make your mattresses over for $1.50 each using the same ticken. first class shape or $3.25 each using any of the enclosed samples. and after stated the hair will be cleaned

Sometimes when mattresses are made over they it is necessary to add from 1 to 3 lbs of hair to make them up for broken and short hair that is lost in cleaning.

We have Gray Hair. very good quality for 25¢ per lb.

If you decide to send them roll them up and cover with burlap which you can get at a furniture store

We can assure you a first class work. if sent to us.

Yours Respectfully
Marlyn Bros

P.S. We can take and return them the next day.
