The Inter Ocean.

Chicago, June 16, 1897.

Miss Aimee Tourgee,

Mayville, N. Y.

Dear Miss Tourgee:--

I send with this a letter to the Chautauqua Steamboat Co., asking for a pass for you. If they do not care to grant this without urging we do not care to have them grant it and if it is their custom to furnish such passes to correspondents they, of course, ought to send a pass to you. If they demur at all we will let the matter drop. We do not care to have The Inter Ocean put in the attitude of asking favors of any railway or steamboat Company. I think the letter ought to bring the pass.

Yours truly,

Wm. H. Busbey.
