Judge Albion W. Tourgee,

Mayville, N. Y.

Dear Sir:-

Since I wrote you last Spring we have made some changes in our plans, and have decided not to purchase the stories then inquired about. Yours of 9,000 words would be considerably longer than we care to use, so that it would not be worth while to forward it to us.

Thanking you for the opportunity given us to consider the matter, I am,

Yours very truly,

A. Ludlow White.
