Madam,

I am in receipt of your
enclosure for \$10. for which kindly-
accept my thanks. It comes in
a very acceptable time and I ap-
preciate your kindness. For the
past few years the pathway of
many of us here, not been strewn
with roses. I hope for better times
ere long. Now that we have an Amer-
ican Government, I wish you
a pleasant voyage, and trust
your new situation may be both
pleasant & profitable

Very Respy
