Dear Sir:

We, a committee representing, in interest, Beloit College and surrounding community, do wish to know your opinion on some matters upon which we consider you the best of authority.

Do you believe that the U.S. has not more to fear from the race-problem?

Do you believe that the annexation of Cuba to the U.S. would be

desirable?

Would it not further form a settlement the race-problem;

Do you think that the social and racial reasons outweigh the commercial ones?

We realize that you very busy; but we believe that a few minutes devoted to your answer of these questions will bear great fruitage.

Very Respectfully
