Dear Monsieur le Consul, I have the
two papers en règle & will be
very thankful if you will
will kindly attend that affair
in the Supreme Court possible.
I suppose your papers must be
authenticated in French law & you have
to have and what will it cost?
Will everything be all right and
my "dossier" correct, and can the
Mayor accept and make our
publications of marriage without doubt?
The principal "pièces" are our birth
certificates.
I am much obliged to you for
sending me that letter you wrote
to the Court, hope he can arrange
things satisfactorily with Mr Peabody
& return the copy as you are taking
me to do.
Thanking you & your kindness
Mr. le Consul I remain
Very truly Yours
