Albion W. Tourgée
Consul
52, Cours du Jardin-Public
1898

March 27th, 1900.

Dear Miss Oldmixon:

Your letter of the 24th was received last night.

I am only waiting for the "lost links" in your dossier to have it prepared and sent you. I think the matter which I have sent to Buffalo for, will reach here the next mail, when I will arrange it and forward to you at once. I see the time is getting short and I will hurry matters up as much as possible.

I am, chere Mademoiselle,

Very truly,

Your obedient servant,

Albion W. Tourgée

U.S. Consul at Bordeaux.
