My Dear Mrs Tourgee

Yours received Aug 23d & found me in much better health than when you last heard from me Miss Barnes ~~It~~ is with me & we get along very comfortably I have hoped you would not write for some time on account of the settlement of my Brothers estate so I could tell how it came out I heard it was to be settled Aug 11 but it was not & Eugene Terry is a Lawyer Brother brought him up I should not be surprised if there was very little if anything left when out of Lawyers hands I will let you know if its in my life time
