Mrs Emma R. Troyer

Dear Madam:

As this
Burnett is quite ill to-day
owing to the sudden change of
weather she request me to
answer your very kind letter
which arrived to-day. We read
and enjoyed the Presidents reply
to the N.Y. Herald for which
accept our sincere thanks in
sending to us. She would
have wrote before but has been
waiting until the settlement
of her brothers estate, that she
could do as she said about
