Dear Madam:

The booklet to which you refer would interest you and would be of special interest to your sister Mrs. Fourgee. I purchased a number of copies but gave them all away.

If you enclose 10¢ and a postage stamp to Mrs. Alta Wright Phillips Kingsville. Ohio she will no doubt be glad to send you a copy as I think many were left over, unsold.

She is a sister of "Libbie Wright" Schofield and was prominent on one of the Committees.

The occasion was one of unusual interest. Quite remarkable that a school, no larger in its lifetime and so long closed should have brought so many letters and so large an attendance. On Monday afternoon when I presided, four solid hours were occupied in reading letters & in ten minute speeches.

Very truly
