George S. Hulbert, Publisher, New York

~~Seventy Eight Fifth Avenue~~

Dec 14/05

Dear Mrs Tourgee:

Your card of the 11th came duly; today offered the first chance to take up the matter of an English edition.

I wonder if you have sent Headley Bros copies of Fool's Errand & Bricks as they require.

If you conclude you want to do all the printing here I will formulate a different proposition.

With kind regards to you all I remain Sincerely Yours

Ed. S. Hulbert
