Dear Madam:-

Your postal card is at hand and contents noted.

It is incomprehensible to us how the furniture could be damaged by rain, at all events whilst in this city. The furniture was discharged from the ss "Fricka" on a covered dock and was immediately transferred into a Government Warehouse and was taken out again from there and loaded into a car right in front of the warehouse. Aside from this, we have hardly had any rain, which you probably have experienced yourself since your arrival in this country.

We may add that the Railroad Companies are very careful in not loading perishable goods in rainy weather, and the B/L issued by the R.R. Co. was a clean one.

Yours truly, FUNCH, EDYE &amp; CO.,
