BORDEAUX, 22 Dec 1905

Dear Mr Tourgée.

Thank you for your letter of 28th Nov. also for the obituary Press notices on the memorial services of my Esteemed old friend, and on his mission in life — peculiarly gratifying to those who had the pleasure & advantage of his intimacy — after others hearer & dearer to him.

We were very sorry to hear that Mrs Tourgée and you had been indisposed since your arrival at Mayville and trust that you have both regained your usual health. I hope you received in due Course my letter of 19th Nov and that the medical Certificates which it Contained served without difficulty their purpose.

What you write Concerning the results of the Late despatch of your B/Lading &c

p: "Fricka" is particularly annoying under the Circumstances of Expense & trouble all of which might have Spared to you. We are all well here and Mrs Welsh and our Daughters join in sending to Mrs Tourgée and yourself our most Cordial Seasons greeting: always at your Service believe me

Yours very Sincerely
W. D Welsh

Mr Tourgée.
