Gentlemen:

In looking over correspondence of my husband, I find that he acquired the plates of "Out of Sunset Sea", through some deal with Fords, Howard, & Hulbert. Before their dissolution of the firm. — also that you contracted to put out an edition of Laetolus Prime & in 10 cent editions of 10.000, or more c/us at a royalty of 10%. —

In view of these facts, your letters of recent date are most unpleasant, —

Will you Kindly explain! —

Very truly
