#2015 Kalorama Ave.,

Washington, D. C.

Dear Madam:-

Your certificate relative to renewal receipt on policy #95092 was received, though you did not mail me the renewal receipt. I thought it possibly an oversight, and that the receipt would follow, hence, waited a few days.

I beg to acknowledge receipt of your card of the 20th instant, and to ask that you mail me the renewal receipt, and on receipt of the same I will immediately mail you check that we have long desired to pay you. I assure you that there is no desire on the part of our company to ever delay any matter, and should you not find the receipt, kindly inform me what disposition has been made of it, that I may file this together with your certificate.

On receipt of your reply, you will immediately hear from me.

Very respectfully,

*W. R. Crawford, Jr.*
