Dear Mrs Jones

I was glad to get your letter of the 30th & know of your whereabouts, I have been desirous of writing you & expressing my regrets at my inability to be with you at Mayville & take part in the Memorial service of the Judge a man whom I regarded so highly & whose memory I revere — but the fact is I was not aware of your being in this country till the day of the services at Mayville & then it was too late to reach there.

I am glad to know that you are so pleasantly located with your old friends Mrs

Warner, whose husband I remember well & with whom I had some correspondence at different times since he went to Washington. - Please remember me to her.

Should I be in Washington I shall be pleased to call on you & Mrs W. but it is doubtful if I do. - the fact is I have been in Washington but one prior our grand review at the close of the War & then only for a day. -

I hope your affair with the Insurance Co may come out as you wish - Insurance Cos as a general thing are not over generous, except when applying for a risk.

As to your indebtedness to me, don't let that worry you even a little bit.

Mr Perkins joins me in kindest regards to yourself & daughter

Yours with regards Geo. T. Perkins
