Dear Madam:--

In reply to yours of the 2nd inst. will say that I am very much obliged to you for your order, which will have my special attention.

Under separate cover you will find a pencil drawing of your monument, No. 400, which will be made of the best Barrie Granite, and of the dimensions which the contract will show.

The name "Tourgee" will be in large raised letters. The shading shows where the monument will be polished: the rest will be hammered.

This price will include a brief inscription, a cement foundation and the job complete, in first class shape, in the cemetery. Should you like any changes made please make same on drawing and return.

Enclosed you will find contract. Please sign the same and return.

Yours respectfully,
