WORK SET UP IN ANY PART  
OF THE COUNTRY.

ORDERS SOLICITED  
AND PROMPTLY FILLED.

Rutland, Vt. Feb. 12, 1906.

Mrs. A. W. Tourgee,

#2015 Koloroma Ave., Washington, D. C.,

Dear Madam:-

I have your favor of the 10th and replying to same will say:-  
I have written Mr. Frick this day and he will certainly give this matter  
very prompt attention. You speak of having written him and I presume you  
have received answer to your letter before this. Now I am sure that as  
soon as he receives my letter he will know just what the monument is which  
you want and will correspond with you without delay and also with me.

You speak of wishing the monument set for Decoration Day. I think  
there will be no trouble in having the work all complete by that time and we  
will certainly give the order very best attention.

Very truly yours,

Dic. W. R. K. / P.
