Mrs. E.K. Tourgee,

Dear Madam:-

I understand you have been remodeling your house at Mayville, N.Y. over into an apartment house. I have an unmarried sister living at Mayville, who has been spending the winter with me here at Fargo, and she wishes me to write and ask you if these apartments have all been rented. If not, would you kindly let me know something in regard to them as to the size, or number of rooms in each apartment, and whether rented with heat, light, and water furnished, and at what price. You may possibly know of my sisters as they have lived in Mayville for a number of years.

You probably have an agent at Mayville looking after this property for you, but not knowing who he is thought best to write you direct. If you are not able to give me the above information and will kindly let me know who to take this up with I should be pleased to do so.

Thanking you in advance for an early reply, I remain,

Very respectfully yours,

E.L. Morris
