Sunday, Feby. 25-06

Dear Mrs. Jourgee:- I have returned from the Dept. where I had to work part of the day. Supplementing my letter from Atlantic, I will say, I did not return to the the dept. till Friday, and found that Mr. Peirce has been almost constantly there since the Portsmouth Conference.

If anything I can do for you at Dept. please command me.

Very truly,

L.A. Merritt.
