Mrs Helen M. Green, Sec. Trustees

Tuesday Club Library,

Mayville, N. Y.

Dear Madame:

In reply to your favor of the first inst, I would state that the books mentioned are left in the care of the Tuesday Club to be used in such manner for the service of the public as the books of their own Library, stipulating only that the book-mark of Judge Tourgée to be found in each volume, shall not be obliterated or defaced; also that should the time ever occur when we wish them returned to us to be placed in the Memorial Library Building we propose to erect in Mayville, all these books shall be at our disposal for that purpose.

I would like to have made a complete list of these volumes, a copy of which be sent me, and a duplicate copy retained in the archives of the Tuesday Club Library. They should most certainly be cataloged and classified so as to be easily available.

I am, dear Madame,

Very truly yours,

E. Tourgée
