

Camp Pepper, Va.
Feb 27th 1864

Friend Lina

I now took the opportunity
to write a few lines
to tell you no I am
well and hope these few
Lines will find you the
same

We have yet
back to our old Camp
again we have been a long
time getting back but we
are all quite now I hope
I shall not go home again

until the war is
over but I hope it
will not last more
then three years longer

I have not seen
Week yet but I am ^{going}
In a few days if we
dont have to move to
San it seems run
Season after having
so much fun but that
is over now for a spell
But there is a good time
coming Days went a
little longer so seas the
long It is very pleasant
here today it seems more
like summer here

Well Linda

the news is very scarce
here so I must bring
these few lines to a close

give my love
to all inquiring friends
and except the same
you self
